

SANREMO
COFFEE MACHINES

Introducing... the CUBE

When you choose Sanremo Coffee Machines, you are not just buying a professional tool or a piece of design: you are acquiring the key to enter our world of "coffee lovers".

When you turn on a Sanremo, you turn on your passion for coffee.

The perfect fit for everyone.

Small machine, big impact

The CUBE is our most compact coffee machine to date. But beneath its minimal exterior lies the technology and power you would expect from any Sanremo machine. Style, and serious substance.

Not just a coffee machine, it's a lifestyle.

Make it yours

Customise your CUBE with different colour and finish options. From simple and chic, to bright and bold - build your dream machine.

The CUBE is available in 2 different body styles: A & B.

CUBE A

The A version is the simplest and most minimal solution, suitable for a domestic customer. The cover panels of the machine are in a single color.

CUBE B

On the version B the side panels are perforated to show an underlying sheet that can be customized.

Power, in your hands

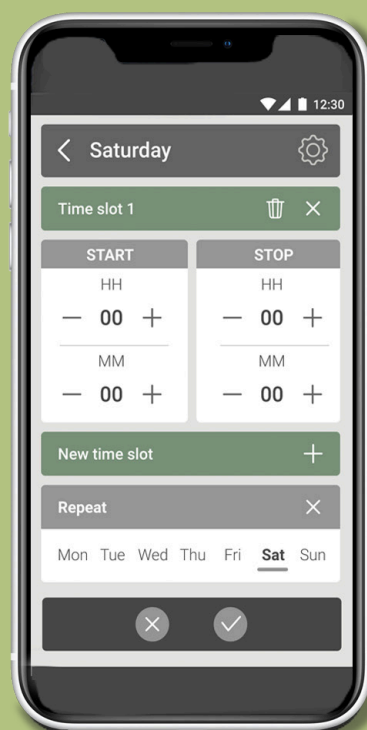

With WiFi technology and the CUBE app you can control your machine from your phone! Including:

- + Remote machine on/off
- + Set-up boiler temperature
- + Manage water tank level
- + Enable and manage water filter signaling.
- + Show shot time in real time
- + Statistics: daily, weekly and monthly counters for coffee and water consumption.
- + Weekly scheduler to program up to three different "time slot" per day to fit perfectly around your life!
